

What is SWAT?

SWAT is committed to developing the leadership skills in youth through training in tobacco issues, media literacy, policy development, presentation skills, and evaluation. Through empowering the youth and providing leadership opportunities on the state and local levels, it builds the capacity of its advocates to enable environmental and policy change.

SWAT Members

As a SWAT member you promote the anti-tobacco message throughout the community by doing projects and activities in a fun and cool way!

For more information on how to become a SWAT Member or Advisor
contact: Osceola County Tobacco Prevention Program at

407-943-7010 or 407-944-7114
